SECTION – V (LANGUAGE FUNCTIONS: 20 MARKS)

Read the passage given below and answer the questions that follow:

5x2=10

Quick reading is extremely important. In most occupations a good deal of reading is required. Top executives spend around four hours a day for reading. One has to find time to keep up with the knowledge explosion. Research suggests that the faster you read the more you understand, may be because concentration is sharpened. When reading fast we are devoting all our attention to the text and squeezing for as much meaning as possible. Fast reading can be accomplished with regular practice. Reading can be compared to driving a motor-car. Driving slowly on a free way invites wandering attention but turn on a free way and accelerate and see how speed pushes distractions aside and forces improved concentration.

QUESTIONS.

- a) Why is quick reading extremely important?
b) How many hours do top executives spend a day for reading?
c) How can fast reading be accomplished?
d) What is reading compare to? Why?
